

Kiù

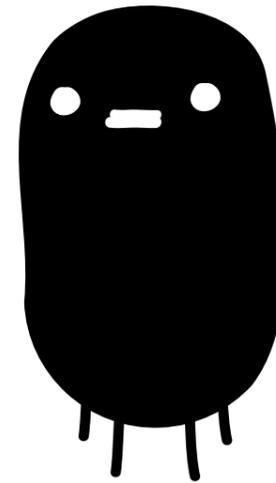

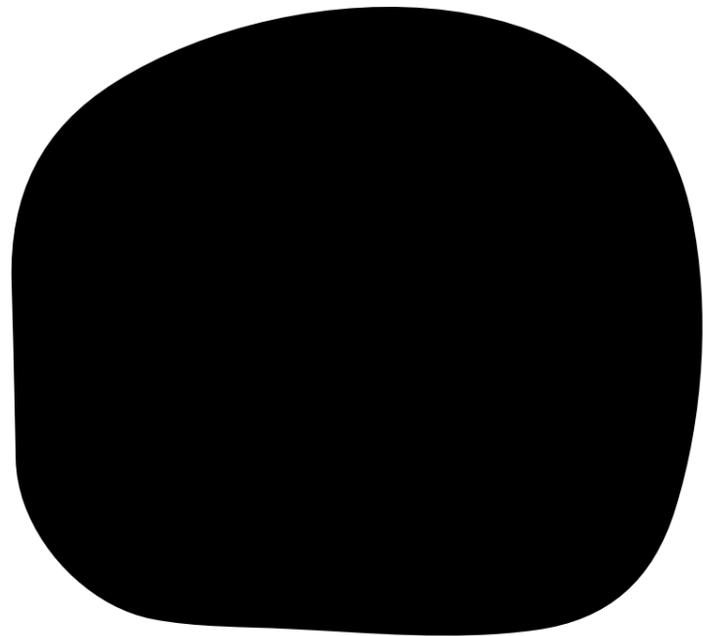

If you are alone there is no Kiù,
Se sei da solo non c'è coda.

If there is Kiù you are not alone....
Se c'è coda non sei da solo...

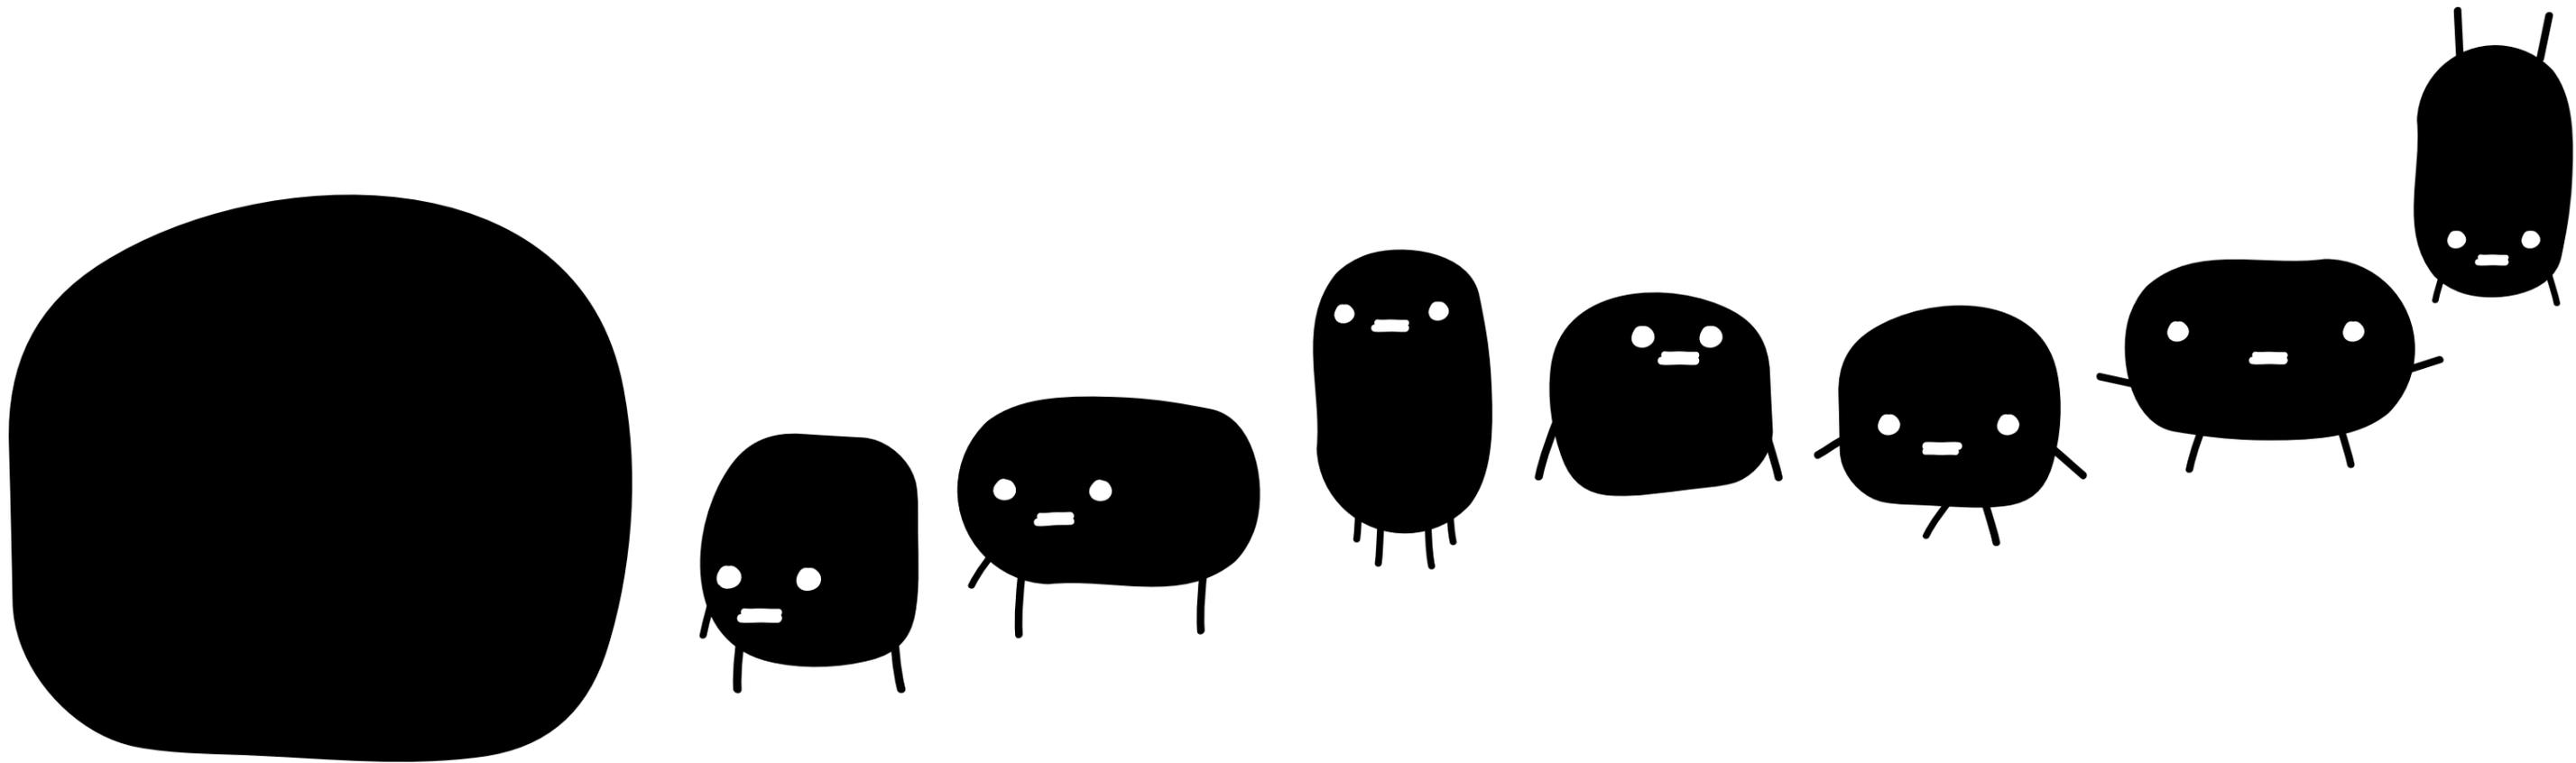

...but you can feel lonely anyway.
...ma puoi sentirti comunque solo.

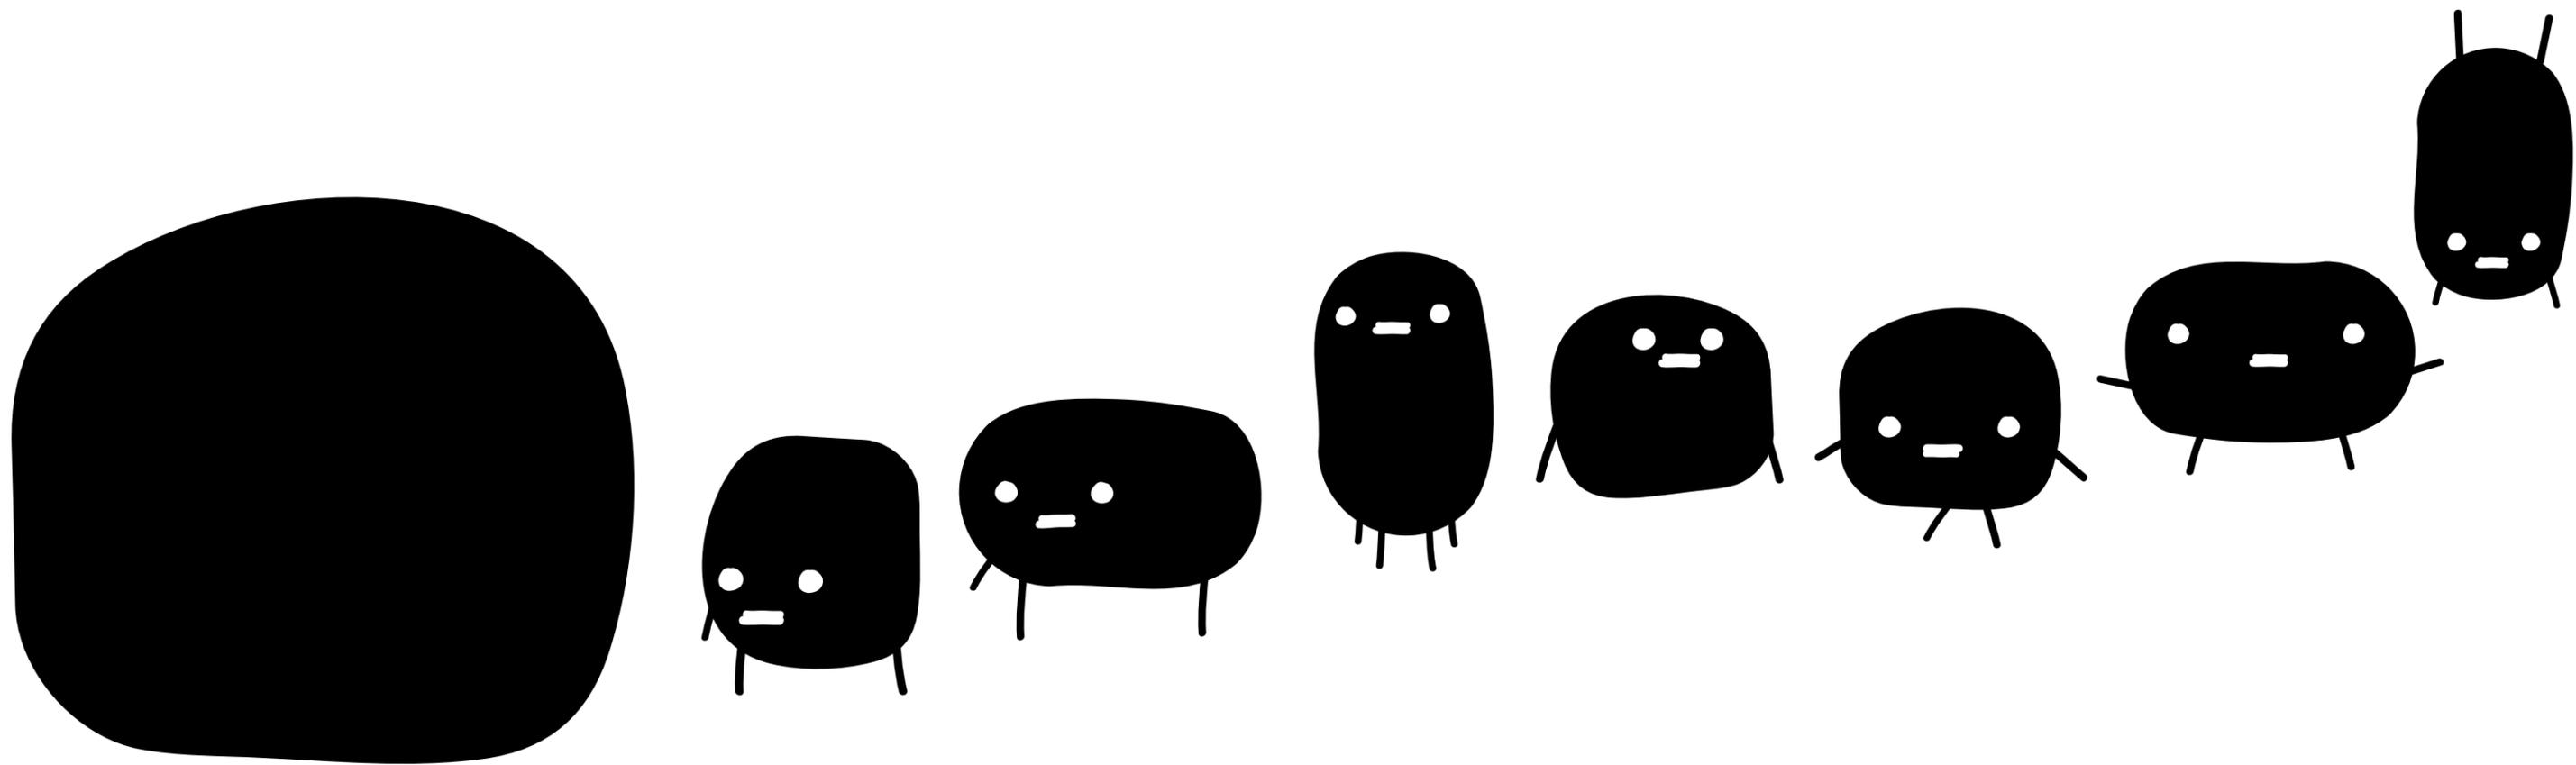

The Kiù always wait in line for not staying alone

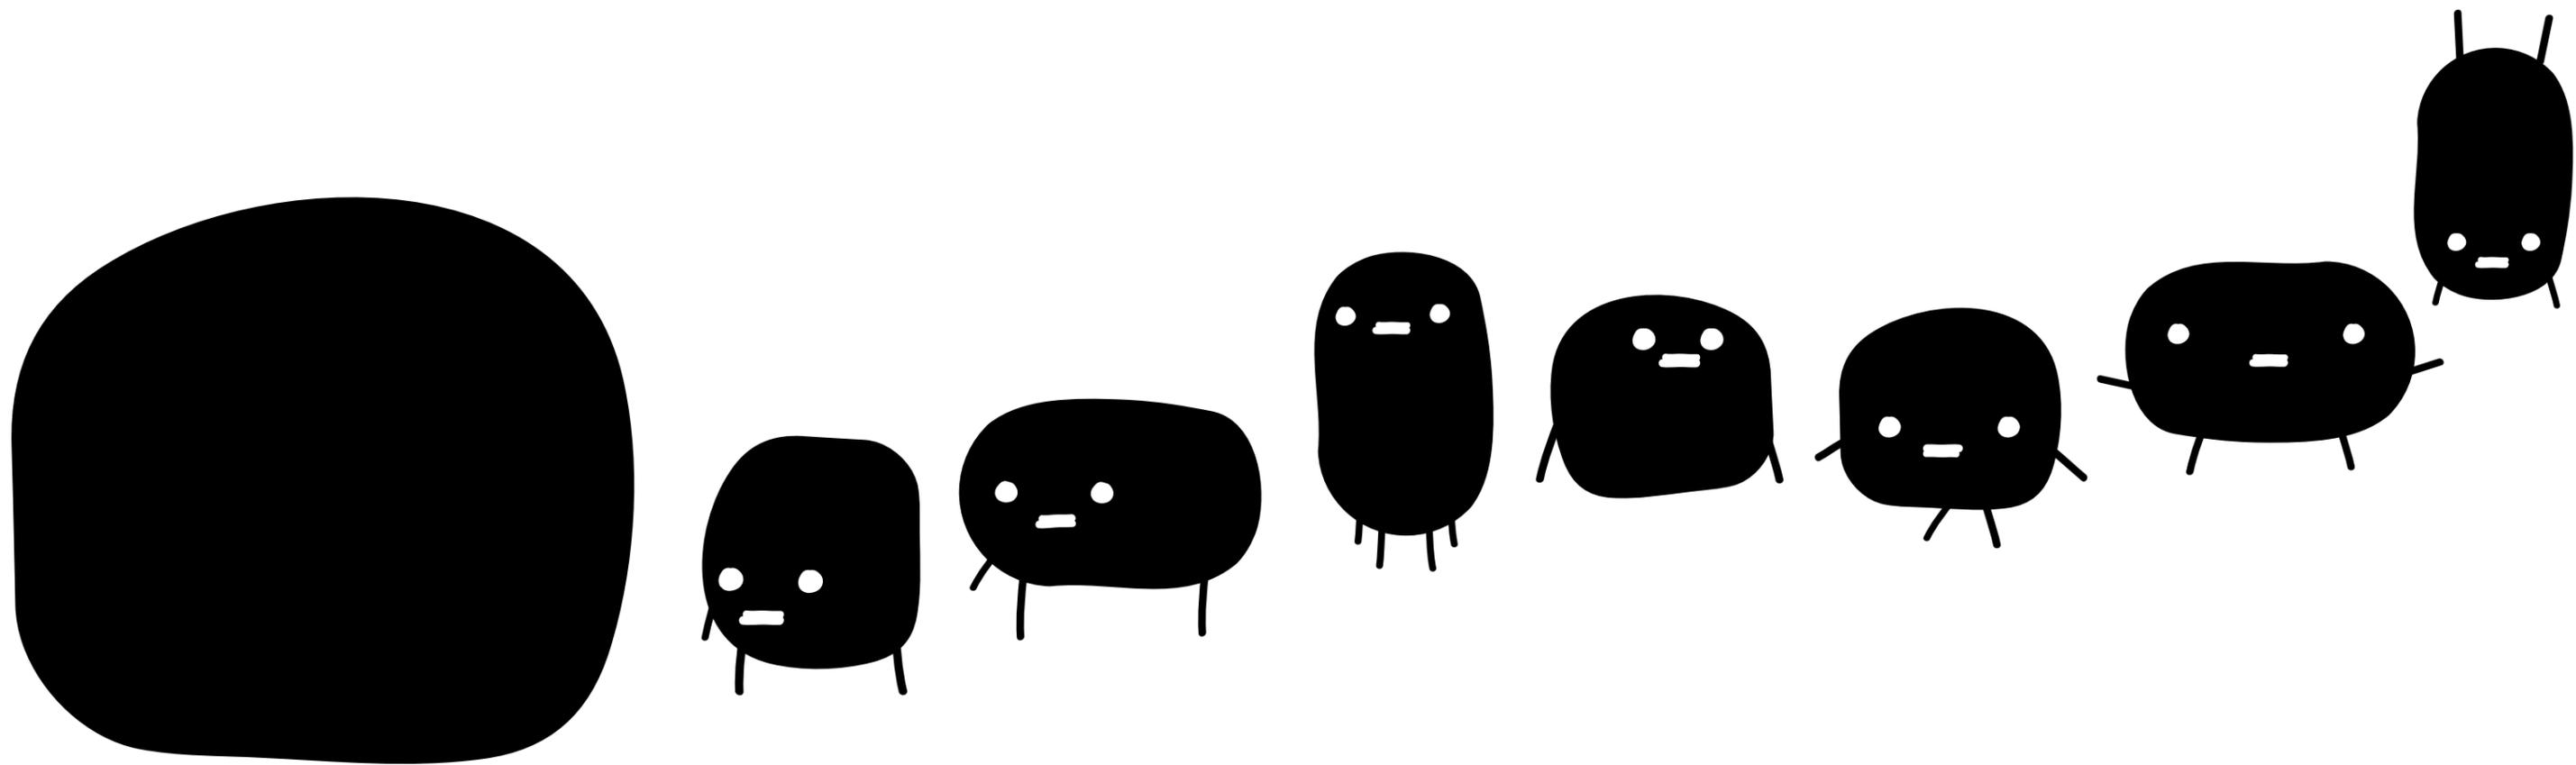

I Kiù stanno sempre in coda per non stare da soli

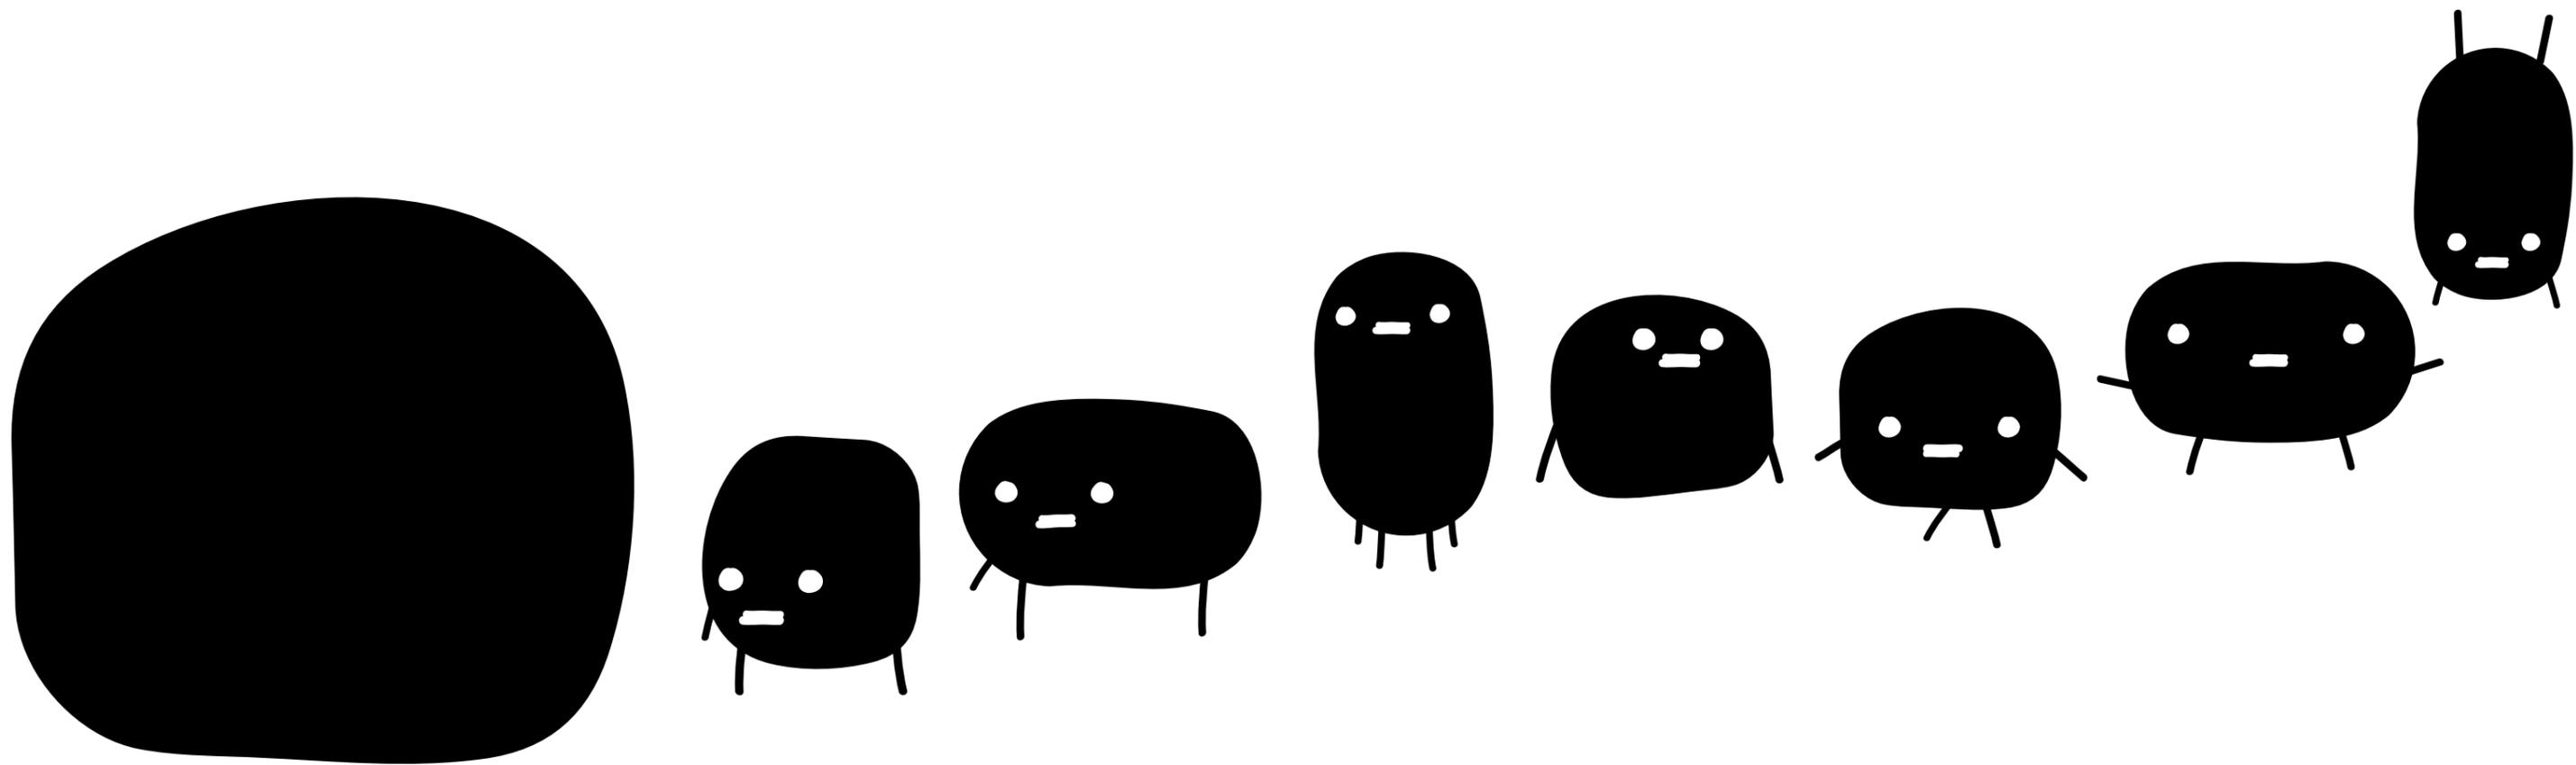

They can wait in line for the sun,
Possono stare in coda per aspettare il sole.

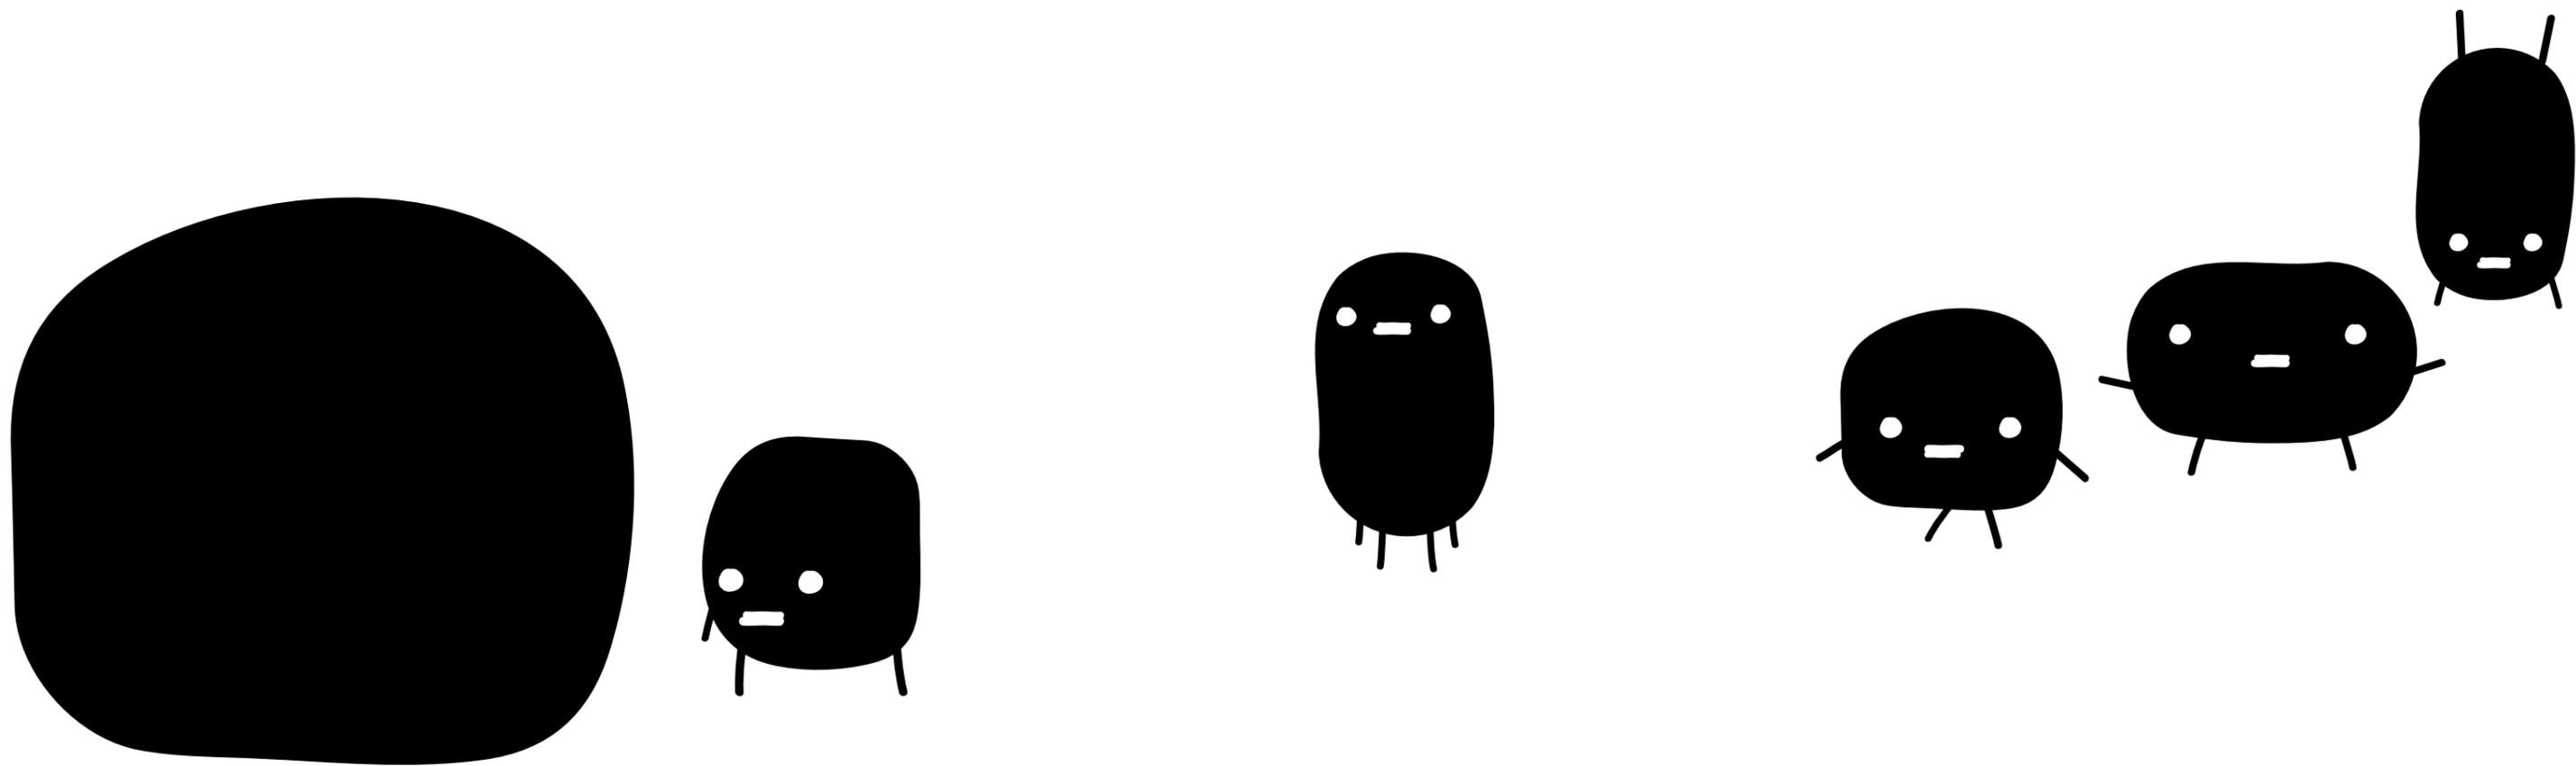

for the happiness...
la felicità...

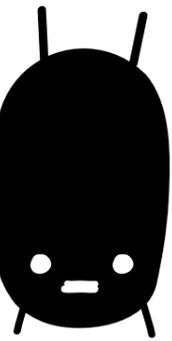

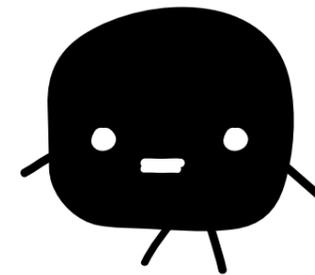

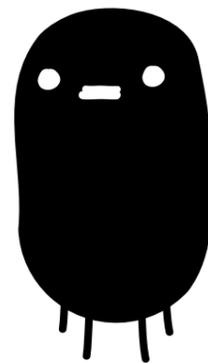

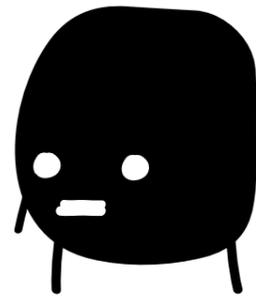

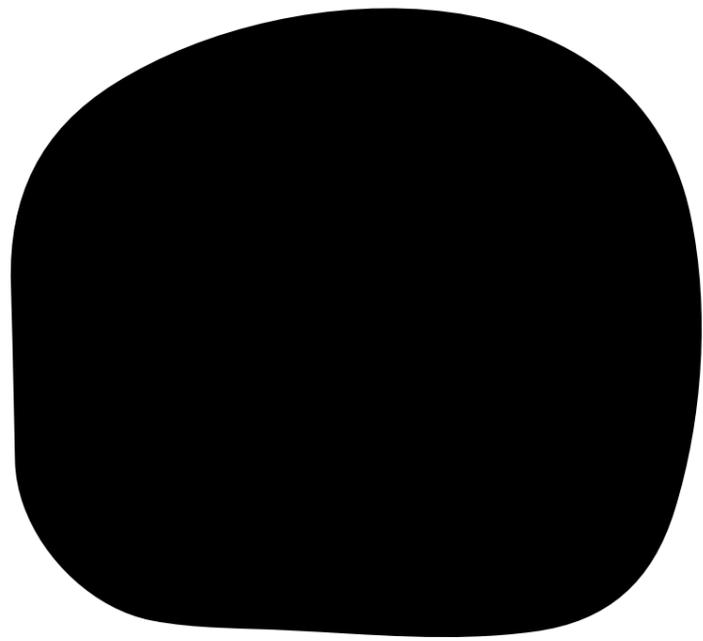

or for diving in the lake.
o per buttarsi nel lago.

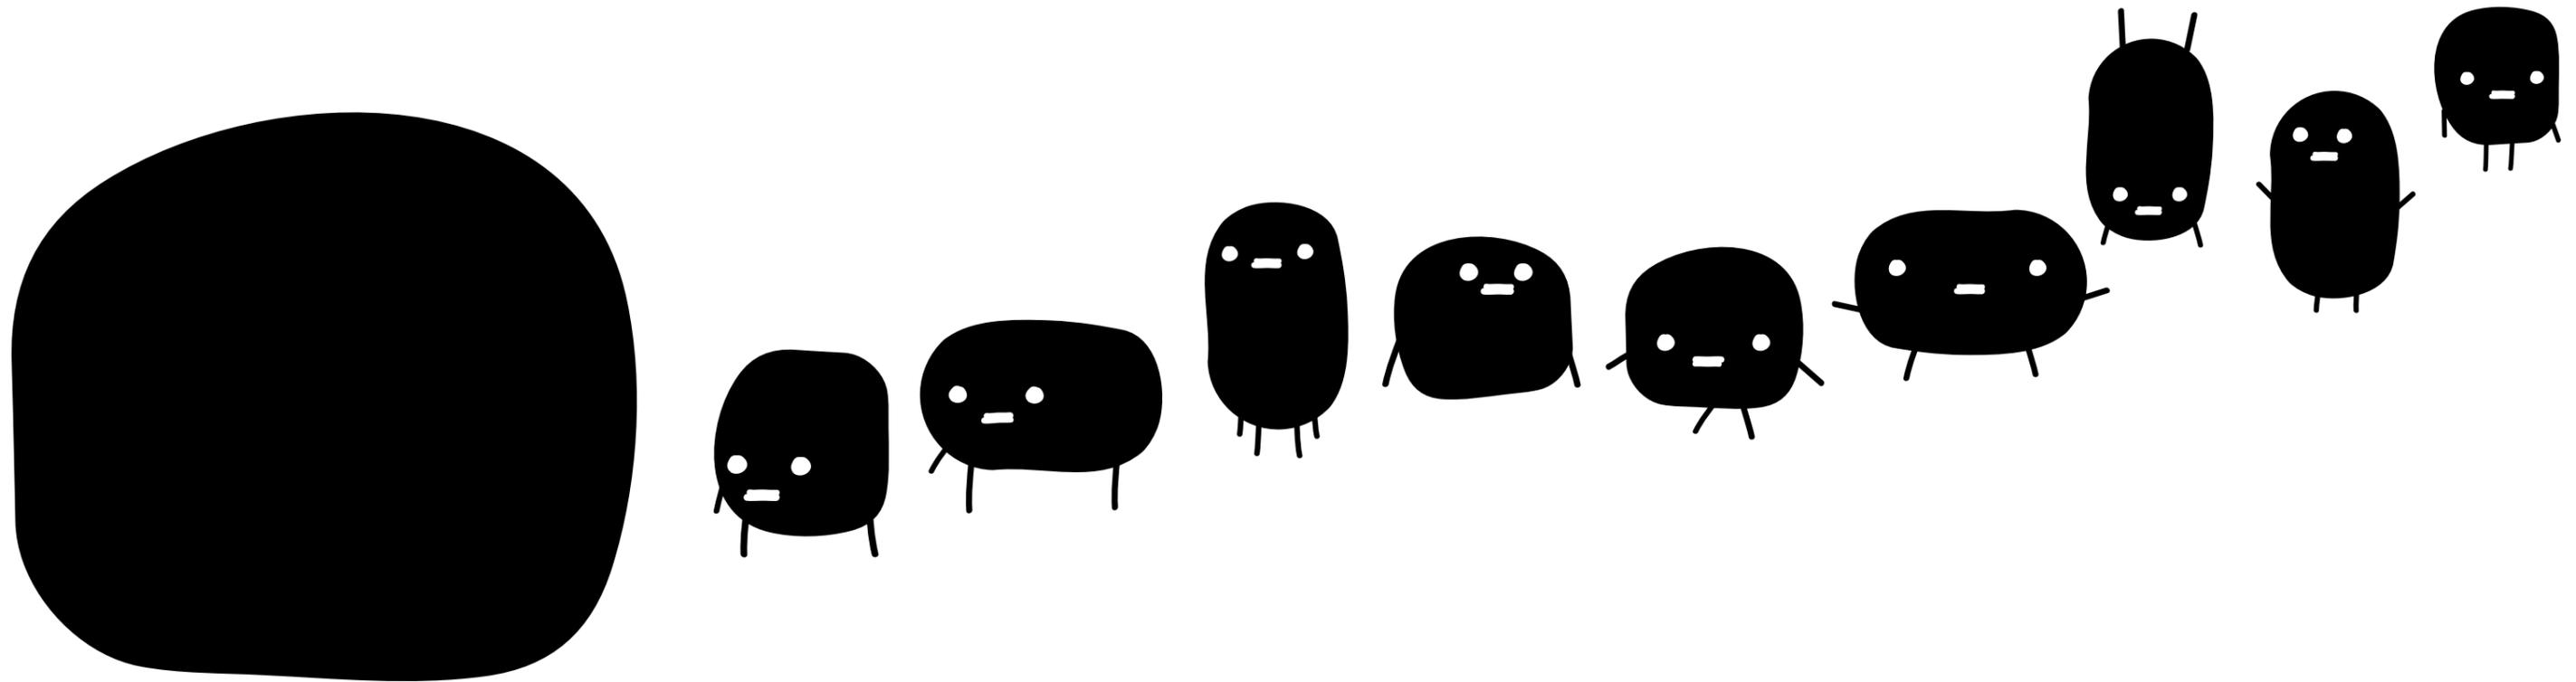

Someone can realise to be in the wrong line and quit the Kiù.
Qualcuno può realizzare di essere nella coda sbagliata ed andarsene.

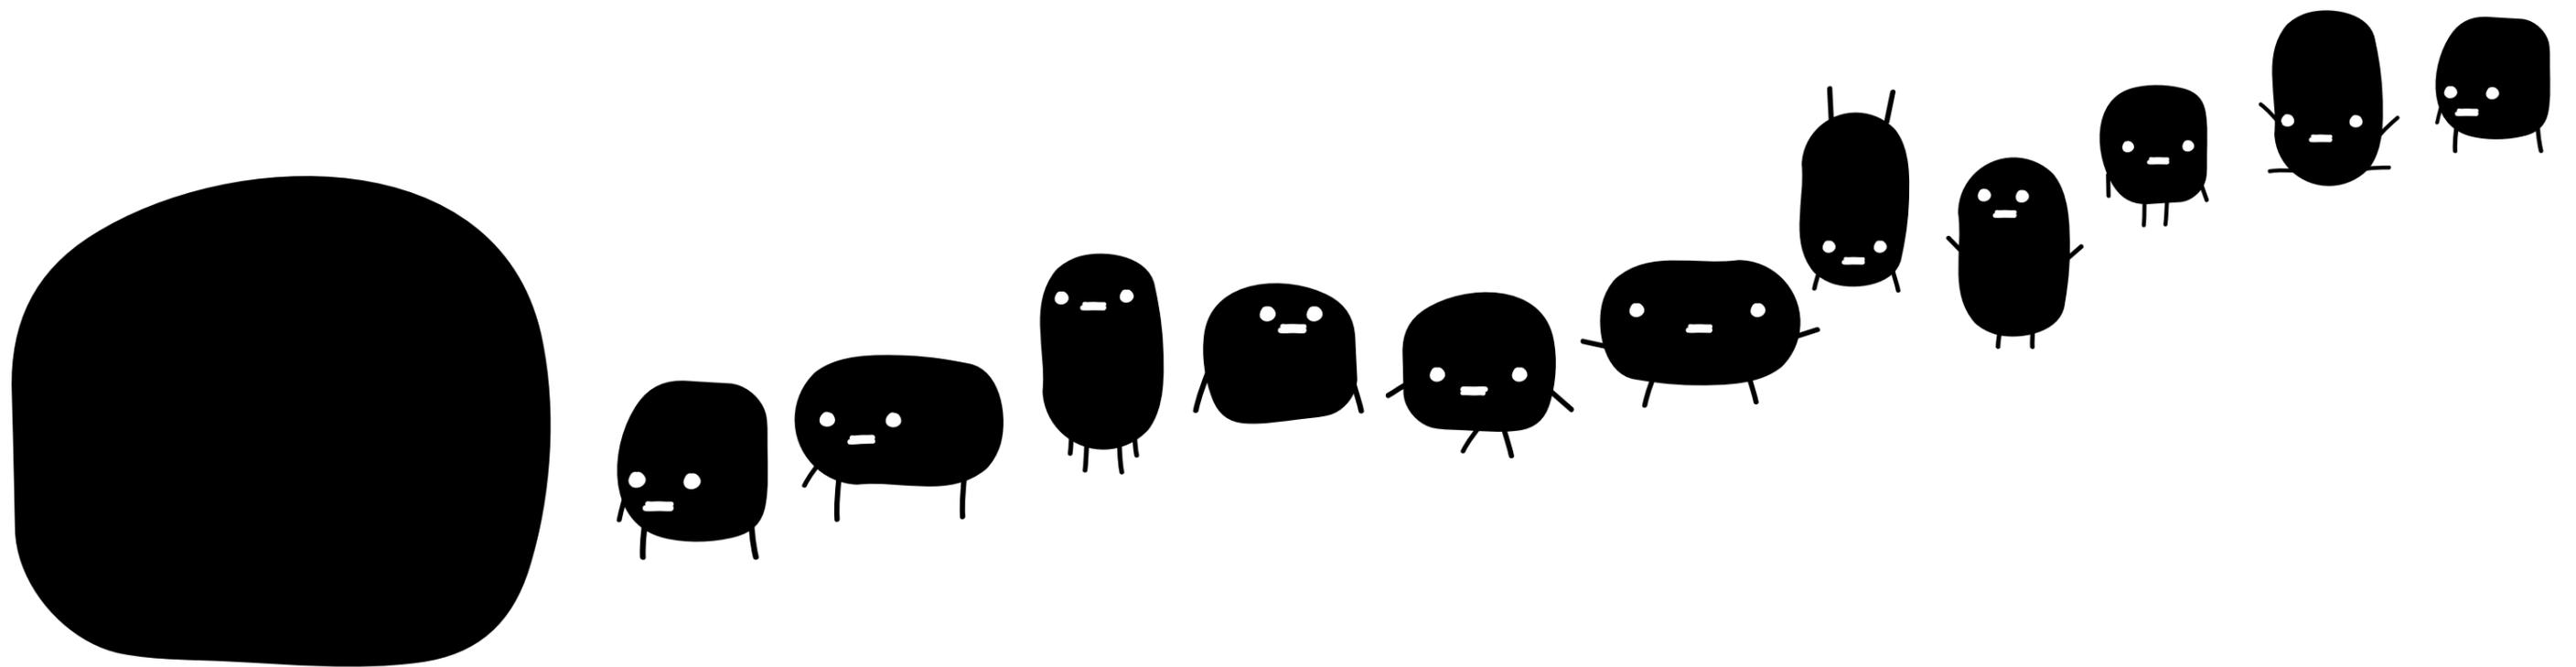

someone can not stand with the person in front and quit the Kiù.
qualcuno può non sopportare la persona in coda davanti ed andarsene.

This is one of my favourite Kiù ...
Questa è una delle mie code preferite....

it is the Kiù to play ...
è la coda per giocare...

... ring a ring a roses!!!
...a giro giro tondo!!!
